Please read carefully and indicate your acceptance by initialing each paragraph.

____ I agree to provide my foster animal(s) with appropriate food, water, shelter, and care. I agree to provide a high-quality diet (high protein, low carbohydrates, grain-free) as recommended by the foster care coordinator. I understand that as a foster care provider, I am responsible for food, shelter, and litter expenses. I agree to ask for financial support, if required, from the AWLFC Foster Care Coordinator. AWLFC will provide formula for bottle babies.

____ I understand that I am responsible for ensuring that my foster animals receive prompt and regular veterinary care. That said, I understand that AWLFC is responsible for funding medical care for foster animals. I agree to get approval from the foster care coordinator before taking the animal to the veterinarian. Exceptions to this will be made ONLY in the case of extreme emergency. I also agree to be present with my animal at the scheduled appointment time or reimburse AWLFC for the cost of missed appointments.

____ I agree to regularly trim my foster animal's nails so as to help them become familiar and comfortable with regular nail trimming. I also agree to provide suitable scratching posts and materials to promote scratching on desired surfaces (not furniture) for cats.

____ I agree to actively participate in promoting my foster animal(s) by bringing him/her to adoption events and by making him/her available for photographs and providing biographical information for petfinder.com. I agree to ensure that animals brought to adoption events are clean (no fleas, no ear mites or waxy ears, trimmed claws, no runny eyes, etc.) and healthy.

____ During adoption events, I agree to stay with my animals and help promote them to suitable adopters. If I cannot stay with them, I agree to make alternative arrangements in advance. I also agree to bring their medical forms and documentation to adoption events.

____ I agree to make follow up calls/inquiries to the families who adopt my foster animals; the first call will be made within one (1) week of the adoption, with a second follow up call in approximately one (1) month.

____ I understand that AWLFC does not have a shelter and cannot provide care for foster animals while foster caretakers are on vacation or business trips.

____ Knowing that the AWLFC doesn't have a shelter I will make a commitment to keep and provide care for my foster animals until they are adopted.

____ I understand that AWLFC will make an effort to assist the foster care provider with their foster animals in an emergency situation.

____ I understand that all animals must be evaluated by the foster care coordinator or a designated representative of AWLFC before they are accepted into the foster care program.

____ I understand that all foster animals will be adopted following AWLFC adoption policies, including an interview, adoption application and contract.

____ I understand that AWLFC often has no prior knowledge of the foster animal's temperament or pre-existing medical conditions and therefore will not be liable for property damage or harm to persons or animals caused by this animal while in the foster home's care.
