Financial Assistance for Animal Medical Needs

The Animal Welfare League has limited funds to assist individuals and families who cannot otherwise afford veterinary special care for their pets. Consideration will be given to those for medial emergencies and does not include regular routine care nor spaying or neutering. Special care includes medical emergencies and other treatments that may be required to ensure the animal’s health and quality of life.

Please review the income guidelines shown in the box below and then, if you are eligible, complete the information requested and provide documentation that reflects your income. **Return this form to AWLFC at 1202 East Patrick Street, Suite 13A, Frederick, MD 21701.** For urgent matters, email info@awlfc.org or call 301-663-5855.
